

REGLAMENTO

Formentera-Ibiza Ultraswim

Saturday 27th of May 2017 at 7:00

1. Ultraswim 2017 is a long distance open water competition that links the islands of Formentera and Ibiza between Es Pujols and Santa Eulalia. Distance is 30km.
2. The swimmers commit to strictly accept the present regulations.
3. The competition will begin at the start of the crossing with a minimum rhythm of 3km/hour for the whole crossing, and a maximum participation of 26 swimmers.
4. Checkpoints will be found at kms. 6, 15 and 25 at which point all swimmers who do not pass in hours 2, 5 and 8 with twenty minutes respectively, will be disqualified and must compulsorily climb on-board the organization's boat.
5. Every swimmer must be compulsorily assisted and supported by a Kayak type craft that will be provided by the organization, if necessary. The organization will try to facilitate a canoeist to all swimmers who don't have it, if the swimmer indicates it.

If, for whatever reason, the canoeist might have to abandon the swimmer, the latter one would be automatically disqualified.

The organization will have a security and competition control craft and will be responsible of establishing the beacon system.

6. The Kayak type craft will always be located next to the swimmer, at a distance of 10 metres, being strictly prohibited for the swimmer to be towed by the craft during the competition, as well as them touching each other, except during the breaks that are permitted for the feeding purposes.

7. The Kayak type craft, will carry all the food supplies required for the route (for the swimmer and canoeist), and will also carry a mobile phone with full battery and a whistle that can be used for emergency. The food supplies will have to be provided by the participant.

8. It is completely prohibited to throw any wrapper or other non-degradable material into the sea.

9. Minors who wish to take part must provide written authorization by their tutor as well as their trainer's confirmation that exposes the swimmer's capacity to take part in the competition. The organization reserves the right to accept this registration.

10. It will be the swimmer's responsibility to communicate to the organization about any health problem that could threat their physical integrity during the competition.

11. In case of bad weather conditions or due to force majeure the event may be postponed or even suspended previous to the start of the race as well as once initiated.

12. Swimmer's mandatory equipment:

- Food supplies: at least 5 litres of liquids in jerry can or easy-to-use bottles and 1.800 calories in energy bars, gels, bananas, sandwiches or any other food product for the swimmer's need.

- Optional Compulsory wetsuit, two pairs of glasses, organization's swim cap, jellyfish sting cream, a whistle to use in case of emergency and an underwater fishing buoy for the swimmer to lean on during the feeding break (this buoy will not be compulsory while swimming). If not used wetsuits in the race you must communicate this to the organization.

-It is important that inside the Kayak, apart from the food supplies, both the swimmer and canoeist, only carry the strictly necessary in the event of withdrawal or elimination (towel, fleece, clothes and sports footwear). The organization will provide a piece of baggage to each participant, and by no means will be allowed to carry additional baggage.

13. The Organization will attempt to provide affordable prices for the accommodation and the maritime transport to the island of Formentera.

14. The registration fee is 120 euros, 150 euros (only with kayak) or 2300 € (with kayak and canoeist provided by the Organization). The inscription will have to be realized by means of the payment online in the link:
